MEMORANDUM FOR: Director of Training

SUBJECT : Weekly Activities Report
16 - 20 August 1971

GENERAL

1. The one-week CS Records and Desk Orientation Course for 13 Career Trainees provided useful information keyed to Desk duties. Both portions of the course went smoothly; the trainees appeared highly interested throughout. The Records coverage, which includes exposure to various sources of information, helps to orient the students at the outset. Subsequent discussions with Branch and Desk officers from WH, EUR and AF were very productive, prompting some rather wide-ranging questions.
